General Instructions :

1. Admissions :

Prospectus (with all batch details, fees, etc.) is available in all our centres and also on our web site www.vidyalankar.org. Application for admission is to be made on the forms available from the Admissions office.

2. Timetable (Lecture Schedule) :

- i) Daily Lecture schedule is always put up on our web site a day before.
- ii) Daily lecture schedule is also displayed on the notice Board in the main office building of the centre.
- iii) Further, the door of every classroom has a board which shows the batch being currently engaged in that classroom.

Lectures are always held as per regular schedule (even on Bank Holidays) unless informed otherwise.

3. Classrooms :

Once a classroom is fixed, the same class room will continue for the entire session. However, for first 2 - 3 lectures, there is some possibility that the class room may be required to be changed.

4. Course Planning :

We pride ourselves on giving each student personal attention.

- Students who feel the need to re-attend some topics (already attended or missed) should contact the Course planning Department at H.O., Dadar (W).
- Rigorous practice of writing several exams is by far the single most important factor in any process of learning. Realising the importance of this factor, several topic wise tests are conducted during the course. The test schedule is also made available on our web site. Model solutions are given immediately after the tests are over (to make it easy for the student to assess his own answers). Corrected Answer sheets are returned promptly. (Students have the option to apply for re-evaluation, if they so

desire). On special requests from parents the performance reports can be made available. For any queries please contact the Course planning Department at H.O., Dadar (W).

- Prelim Test papers with their model solutions are available at the end of the course before the University Exam at all our centres or on our website www.vidyalankar.org or on V-Books App (available free on Google Play Store)
- A day before the exam, the subject teachers are available to solve doubts. Students who need last minute assistance may talk to the faculty on phone or can post their doubts on our WhatsApp number 7045 018 539.

5. Printed Study Material :

Every student is supplied with extensive printed study material. The complete list of study material which will be distributed to the students is available on our web site. The Study material will be distributed in class itself. (Please do not crowd the office to ask for it.) For any queries, you may also contact our Printing Department at H.O., Dadar (W).

6. Reading Room :

Reading room facility is available for our students at all our centres. Interested students should contact respective centre co-ordinator.

7. Fee Receipt :

Please get your Fee Receipt every day to the class. Receipt will be collected during the class for marking attendance. [Your Registration No. (Reg. No.) is printed on the receipt. Please do not confuse your Reg. No. with Batch codes which are printed below the subjects.]
