Vidyalankar has helped me throughout. I had joined **vacation batches**. Due to which I had a lot of time to study during the college days. Be sure with Vidyalankar.

Akshay Khanolkar
Maths, Mech, BEE
Grade Point 10/10

I am really glad that I joined **Vidyalankar vacation batches**. The study material provided & Prelim Exam helped me prepare the subjects well before the college began.

Sumit Kumbhar
Maths, Mech, BEE
Grade Point 10/10

Being a part of Vidyalankar was a great experience. The proper guidance of the highly skilled professors, excellent notes and paper solutions really helped me a lot in my studies. Regularly conducted tests helped me to analyze my progress.

Sayali Patil

Guidance is crucial for First Year Engineering students

Year 2016 witnessed about **65% FY** Engineering students who attempted the Mumbai University exams **ailing** to get adequate marks. They were therefore, **unable to move on to the second year.** These included many top scorers at the previous year's class XII exams as well. Colleges start a few months later, which means students will have to deal with short semesters and new subjects, as well as different method of studying - another reason for the high failure rate. Riddhi Kale, points out that Vidyalankar opens your eyes to the vast tasks that lie ahead for clearing First Year Engineering. **"Till then students have no idea how complicated and tough the course is.** Attending the vacation and regular batches helped us revise and retain the knowledge provided, which was immensely useful during the exams."
